PARNELL TO MEET ROSENDALE TEAM

IN BASKETBALL FINALS AT 8 O'CLOCK IN COLLEGE GYM.

WILL BE FAST GAME

Dope Favors Nodaway County Entry To Win, But Dope Favored Notre Dame Over Nebraska

Parnell and Rosendale will meet in the final game of the girls' outdoor basketball tournament tonight at 8 o'clock. Both of the teams have had hard schedules and have fought well to survive until the final game.

The girls' games this year are unusually clean for such high class basketball as is being displayed. All of the teams handle the ball well and have good shooting forwards.

The odds favor the Parnell sextet to wni the championship but Rosendale has a team that is experienced and fight until the last whistle ofr every point.

Rosendale won the right to participate in the finals of the girls' tournament by defeating the Galt High School sextet by the narrow margin of 22 to 20. For the most part of the game Galt was in the lead; by a last minute spurt the Rosendale forwards placed the Andrew County team in the lead. The box score of the game was:

Zone Telephone Rates Fixed by Commission

Columbia Telephone Co. Is Permitted To Charge Different Rates In Different Territory

Jefferson City, Nov. 24—A new principal in the fixing of rural telephone rates was authorized for the first time today by the public service commission in an order permitting the Columbia Telephone Co. to charge different rates in different zones.

In zone one, which includes all rural territory within a radius of five and a half miles from the central office, the company is permitted to charge $1.50 a month for residence phones. In zone two, which includes rural territory within a radium of seven and a half miles from the central office and outside of zone one, the company is permitted to charge $1.75 a month. In zone three, which includes all territory outside of zones one and two, and within a radius of nine and a half miles from the central office, a charge of $2 a month is permitted.

A prevision order, fixing a flat rate of $2.25 a month for all rural telephone service outside the central station, had previously bee nordered by the commission but had never been put into effect.

MILLER HELD IN $75,000 SWINDLE

FORMER TARKIO MAN ARRESTED IN OMAHA ON CHARGE

IS KNOW IN THIS CITY

Said To Have Obtained Money From C. M. Keller, Leon, Ia., On a Fraudulent Land Trade

Today's Kansas City Times had the following about Harry E. Miller, formerly of Tarkio, who is known here:

Harry E. Miller, former Tarkio, Mo. real estate dealer, is being held by the police in Omaha, Neb., charged with swindling C. M. Keller, Leon, Ia., out of $75,000 in an alleged fraudulent land trade here last winter.

L. D. Moran, city detective, left for Omaha with extradition papers signed by Governor Hyde to bring Miller to Kansas City to face trial on a state warrant charging he obtained money under false pretenses. The warrant was issued by the prosecuting attorney last August.

Fred Bellemere, attorney for Keller, said Keller had been "wiped out" in the alleged fraudulent transaction. He declared Keller, who was a rural capitalist, was given a fraudulent deed to a 1,017-acre farm in Iowa in a trade for Keller's equity in an apartment house in Kansas City and a 1,100-acre farm in Camden County, Mo.

"Keller owned a $25,000 equity in an apartment house at 1121 Lydia avenue and a 1,100-acre farm in Camden County," Bellemere said. "He met Miller in Kansas City January 23, 1923. They were introduced by H. M. Greenway, an Omaha real estate dealer, who represented Miller.

"Miller said he owned a 1,017-acre farm in Ringgold County, Ia., which was subject only to a $78,000 first mortgage. They agreed to a trade. Miller and Greenway delivered a warranty deed to the Iowa farm, stating it was subject to a $78,000 first mortgage. They promised to send the abstract to Keller later.

"When the abstract failed to appear Keller became worried. He went to Omaha and Miller and Greenway promised they would send it. Later a representative of the Joint Land Bank, Omaha, informed Keller the bank had obtained the Ringgold County farm on the foreclosure of a $32,000 second mortgage several months before the trade was made.

"Keller demanded a settlement of Miller and Greenway. They gave him a deed to a 288-acre farm in Colorado. Then Keller found his deed was a forgery. He decided to prosecute. He obtained the warrant in August, but we could not find Miller until last week.

"Keller's equities in the properties he deeded to Miller in the fraudulent transacted represented at least $75,000. It was about all he had."

Bellemere said he had been advised Miller had obtained his release in Omaha on a writ of habeas corpus and would fight extradition.

Cornhusker Suffers From a Broken Leg

Leon Baumli of near Arkoe sustained a broken leg this morning on the farm of Floyd Ambrose near Bedison when he was run over by a wagon while he was in the corn field. His leg was broken between his knee and ankle. Baumli was taken to the hospital by Robert Pittsenberger and Mr. Ambrose.

The team which was drawing the wagon was frightened by a dog and started to run. He grabbed for the lines, missed his step and his foot went underneath the wagon wheel. Mrs. Ambrose saw the team running and went to the field to find Baumli.

"Purty Good for Young Feller."

Now it comes to the notice of The Democrat-Forum today that what might be called speed in husking and scooping corn was accomplished one day this week by an 18-year-old farmer boy. James Wagner, son of Mrs. Mary Wagner, husked and scooped 152 bushels of corn in nine hours and fifteen minutes for Mike McGettigan, whose farm is located northwest of the city. "Purty good for a young feller." Who can beat this speed maniac out in the corn field? It is understood that the field of corn from which Wagner was husking averages about seventy-five bushels an acre.

Young Wagner was timed the first two hours he worked and he husked forty-seven bushels and thirty pounds of corn.

HAMILTON ASSAILS DANCES OF TODAY

MAKE APPEAL AT MOST DANGEROUS PERIOD, HE SAYS

TOO MANY "DONTS"

Church Should Make Appeal to the Young People and Should Encourage Moral Recreation

The largest crowd of the week since Sunday attended the meetings last night to hear Evangelist Hamilton's sermon on "Modern Amusements." "It is not enough for the church to say, 'don't to control the recreation of its young people and do its level best to mold the moral and spiritual life of the young people through their amusement life."

"You Maryville people have a great church here but you are desperately in need of an educational plant that will take care of your rapidly growing Bible school and also provide places for recreation. There is danger that your church may become a sleeping giant if you do not allow yourselves to grow by making more room."

"There are some amusements that are right in themselves, out of which harm can be made. There are other amusements that are inherently wrong. I place the modern dance in the latter class. It makes its appeal to the young life at the most dangerous period of life, and hence it becomes the breeding place for immorality. No institution is legitimate that is built largely, if not solely upon sensual pleasure or mingling of the sexes. To say the least there are so many ways that young people may improve their time to so much better advantage."

Arthur J. Hamilton sang very effectively last night, "Workmen of God." The choir rendered two special selections. Many visitors were present outside the county, and the churches of the county were well represented.

Indications are that the goal of 2500 for the county Bible school will be reached tomorrow. The local school is planning for 800 of which the Men's class hopes to have 200. The members of the class are putting on a strenuous personal campaign for the attendance tomorrow. The Radio program will be received by the class from Omaha through the courtesy of Harry Todd. This program begins at 9 a. m. followed by the regular session.

BOMB EXPLOSIONS WRECK CONSULATE

CAUSED TEMPORARY PANIC UNTIL POLICE RESTORE ORDER.

WORK OF ANARCHISTS?

But Police Have Obtained No Clues as to Identity of Persons Placing Bombs.

Philadelphia, Pa., Nov. 24. — Two bomb explosions early today damaged the Italian and Spanish consulates here smashing hundreds of windows and causing temporary panic until police took charge.

Emilo de Ortiz, the Spanish consul, narrowly escaped death, having left the room in which the package containing the bomb was lying, a few minutes before the explosion. The Italian consulate was not in his office when the blast occurred. A clerk on the third floor of the consulate building was asleep with his family, all of whom escaped injury.

The consulate is located over the Sons of Italy Bank at Broad and Pasker streets. The bank was also badly damaged.

No clews have been obtained as to the identity of the supposed anarchists to whom police attribute the outrage.

Washington, Nov. 24.—The state department may be called up by the Spanish and Italian ambassadors here to assist in the investigation of the bombing of the consulate of these two countries in Philadelphia, it was learned today.

At both embassies it was stated that definite action would not be taken, however, until complete reports were received from the consuls.

Maysville to Tangle With Local Gridders

Thanksgiving Game Will Decide Northwest Missouri Championship—Place Not Yet Decided.

With Maysville's overwhelming victory of 39 to 0 over Stanberry at Albany yesterday and Maryville's 12 to 8 win over Excelsior Springs, championship talk is the order of the day.

Maysville and Maryville will clash Thanksgiving day for the high school football championship of Northwest Missouri. Maysville won a non-conference with the local luggers here a few weeks ago by a score of 13 to 6, but those who are in the "know" say the Spoofhounds have hit a fast stride since then and will put up a real fight against the Maysville team next Thursday.

The DeKalb County gridders are heavy and fast and have come through the season with top-heavy victories. They are setting a fast pace in the conference this year and Coach Ebert will undoubtedly have his hands full on Turkey day.

But Ebert knows it and is preparing a trick or two for Thursday's melee.

The members of the local aggregation will be in good condition and after two or three more workouts should be in tip-top shape for the Maysville game.

No definite arrangements as to where the game will be played Thursday had been made at press time this afternoon. Offers have been received from St. Joseph, King City and Stanberry and is possible that the game will be played at one of these three places, providing it does not go to Maysville or Maryville. A definite announcement will be made just as soon as arrangements are made between the two schools.

Albany has also made an offer for the game.

Indictment Hearings to Be Held Wednesday

Former Governor Walton, A. E. Davenport and T. P. Edwards To Answer Charges Then

Oklahoma City, Nov. 24—Hearing on the indictments returned against former Governor J. C. Walton, A. E. Davenport, state health commissioner, and T. P. Edwards, the former governor's chauffeur, was set today for next Wednesday when they will appear in district court here. The grand jury findings of true bills were made yesterday.

Mr. and Mrs. George P. Sillers and Mrs. H. L. Raines will motor to Tarkio this evening to spend Sunday. Mrs. Raines will visit her mother, Mrs. T. J. Emmert, and Mr. and Mrs. Sillers will be the guest of relatives.

Hyde Deefnds Official Acts and Program

Delivers Address Before Republican Editors Of State In Convention In Jefferson City Today

Jefferson City, Nov. 24—Governor Arthur M. Hyde in an address today before the Republican editors of Missouri, meeting here in convention, cited facts to sustain a claim that the Republican state administration had carried out platform pledges.

The Governor cited acts of his own officers and those of the legislature. He referred especially to the great improvement in school facilities of the state and to the legislation enabling women to participate in state affairs on an equal plane with the men.

The Governor also touched upon taxation, the proposed new constitution, and proposed agricultural legislation.

Mrs. Wyatt Hull Dies Thursday at Clarinda

Body To Be Brought Here For Burial —Was Former Resident Of Nodaway County

Mrs. Ada F. Hull, wife of Wyatt Hull, died suddenly Thursday at Clarinda, Ia., according to word received by Mr. Hull's brother, H. W. Hull of Maryville. Funeral services will be held at 11 o'clock tomorrow morning at Clarinda, after which the body will be brought to Maryville for burial in Oak Hill cemetery. Upon arrival of the funeral party about 2:30 o'clock tomorrow afternoon a short service will be held at the cemetery. The casket will be opened before the interment.

Mrs. Hull's death was caused by apoplexy. She was a daughter of Mr. and Mrs. Thomas Rees and was born Dec. 19, 1857. On Oct. 4, 1874, she was married to Mr. Hull, who with two daughters, Viola and Helen, survives. She united with the Baptist church in 1879 of which she was a consistent member until her death. Other surviving relatives are a sister, and an uncle, C. J. Rees of Burlington Junction. At the time of her death she and her husband were making their home with a son-in-law, Ernest Sparks of Clarinda. She was a former resident of Nodaway county and had a number of acquaintances here.

Literary Contests to Be Held in February

The literary contests between the Eurekans, Philomatheans and Excelsiors will be held on February 14 to 15. At this time contests will be conducted on debates, orations, essays, sight reading, extemporaneous and music.

The societies are requested by Harry Miller of the public speaking department to select their debaters by January 17. The orators will be chosen on the 3rd of January. Extemporaneous speakers are to be chosen by the 10th of January and the readers by the 24th of January. This is done so that preparations might be fully made by all who participate in the contests.

The essay contest is in charge of C. C. Leeson. The subject for essays is on, "Present Day Agriculture Situations."

In extemporaneous speaking the 18th amendment is the subject for discussion. Six different phazes will be chosen by the officials in charge and the speakers wil ldraw two of these. They then have their choice of the two slips drawn.

The three questions for debate are as follows:

"Resolved, That Immigration should be prohibited to the United States for a period of 10 years."

"Resolved, That the Philippines should be given their freedom within a year."

"Resolved, That the closed shop principles in industries is justifiable."

The orations are to be upon any subjects chosen by the contestants.

Germany Is in Favor of Belgian Program

Brussels, Nov. 24. — The German Charge de Affairs today handed a note to the Belgian foreign minister, Jasper, stating that Germany is ready to discuss reparations under the Belgian plan of payment. The nuote made additional offers upon the Belgian plan. Jasper forwarded the note to the inter-Allied reparations commission at Paris.

KARDOFF NAMED AS NEW CHANCELLOR

BEGINS WORK AT ONCE OF FORMING NEW GERMAN CABINET.

SUCCEEDS STRESEMANN

Former Chancellor Resigns Yesterday When He aFiled to Receive Vote of Confidence.

Berlin, Nov. 24.—Herr Siegfried Von Kardoff this afternoon accepted the invitation of President Ebert to form a new German cabinet. He immediately began work of forming the cabinet. Kardoff is a member of the German Peoples' party and succeeds Stresemann as chancellor.

Berlin, Nov. 24.—President Ebert today was seeking Germany's strongest man to form a new cabinet to succeed the Stresemann government, which went out last night after a motion, expressing the Reihestag's confidence in the ministry, was rejected by a vote of 230 to 155.

It was regarded as likely that the new chancellor would try to form a new coalition.

There was some tlak that the position might again be offered to Stresemann, but the name heard most often was that of Heinrich Albert, the minister of reconstruction in the Cuno cabinet.

Various political leaders were summoned by Ebert who conferred with them on the cabinet situation. It is felt certain that Socialists will have a place in the new government, but not Communists.

According to the best information available, the ne wministry will contain a Centralist, Democrat and Socialist.

"Dollar Donut Day" Is Proving to Be Success

Mr. Green Is Well Pleased With the Spirit Show By Maryville For the Salvation Army

"Dollar Donut Day" for the Salvation Army in Maryville in its appeal is progressing well said T. F. Green, who is connected with the organization, this afternoon. Many high school girls started out this morning with doughnuts and tags and will be out until 8 o'clock this evening.

The contest between the two girls' teams of the high school, the one soliciting the largest sum to be awarded a prize. These prizes are awarded by the Salvation Army. Mr. Green is offering to the individual girl who collects the largest amount an equivalent to the price of a doughnut and a button or a box of candy. At 8 o'clock tonight the total will be added in the Chamber of Commerce rooms.

This afternoon Mr. Green expressed himself as being very well pleased with the manner in which he and Captain George Wilson have been received in Maryville and he wishes to thank all who have helped in any way whatsoever in the Salvation Army drive for funds. "I think the spirit shown by the high school is xceeded by none," Mr. Green said.

At 2 o'clock this afternoon one high school girl had reported that she had sold doughnuts to the total amount of $25.

Livestock Exchange Hearing to Be Monday

Kansas City, Nov. 24.—Hearing on the complaint of farmers co-operative associations against commission firms operating on the Kansas City Livestock Exchange will be reopened next Monday before Chester Morrill, a representative of the United States Department of Agriculture.

The complaint charges that old line commission companies doing business in the Kansas City stockyards discriminated against and boycotted certain farmers' associations.

Bible Thought for Today

WENT ABOUT DOING GOOD.—And Jesus went about all Galilee, teaching in their synagogues, and preaching the gospel of the kingdom, and healing all manner of sickness and all manner of disease among the people.—Matt. 4:23.

A PRESIDENTIAL RACE ON

Mr. McAdoo has drawn first blood in the South Dakota proposal primaries. By taking the lead, it is understood that he will undertake to secure enough delegates to go into the national convention with a clear majority over his opponents. Under the rule of democratic conventions, requiring a two-thirds majority to nominate, the man who is regarded as the leading candidate is sometimes at a serious disadvantage. It naturally arrays all the other candidates against him. The weaker candidates generally forget one another and align themselves against the stronger candidate as the one they "all have to beat." This gives him an advantage with the band wagon fellows, of which there are many, but it imposes upon him a larger load than he would otherwise have to carry and he has to carry it on through the final convention.

It has generally been the rule, in the interest of harmony, to give the man who gets a majority in the national convention the necessary two-thirds majority to nominate. This however is not always done as was evidenced in the Baltimore convention when Champ Clark maintained a clear majority through eight ballots and then lost the nomination through the skillful management of his opponents.

Mr. McAdoo had a strong place in the San Francisco convention of 1920 under peculiar circumstances. He had the backing of strong influences and many men of influence and power who undertook to put him over although he was never an avowed candidate and no help was offered by the national administration. The feeling of his father-in-law, Woodrow Wilson, then president, was, in fact, generally interpreted as not desiring his nomination. For all of that he was a strong second, and for a time, it looked as though he might be the winner.

The situation now however has materially changed. Mr. McAdoo is now an avowed candidate and there is every reason to believe that the former president will wish him good speed. Mr. McAdoo has not been so much in the public mind during the past four years and the issues are not so pronounced. Mr. Wilson is not in position to give him any great amount of help if he would and he will have to make a fight for what he gets, according to the present outlook.

While the entries are not all in perhaps, there will be enough candidates to make things interesting. Senator Underwood is a man of great ability and with his long public and legislative experience is finely equipped for the presidency. He is handicapped by the fact that he comes from the South which has not been able to get presidential recognition for eighty years. Senator Ralston of Indiana and former Governor Gardner of Missouri both occupy strategic positions geographically and otherwise. Then there is Henry Ford. So far he has been a political enigma. He doesn't seem to be equipped with a self-starter and a lot of people have been trying to crank him up to the point of starting. If he should start, he has plenty of gas and there is no telling how he might upset the calculations of politicians generally. There is hardly a possibility that he could be nominated in an old party convention and those who accompany the thought of a rich man running for office with visions of a prosperous campaign would probably be disappointed. In his race for the United States Senate from Michigan he did not show any disposition to spend money though his opponent spent millions and aroused a nation wide scandal by it. The presidential race may yet be both picturesque and interesting.

Before the days of automobiles and tin cans people lived in their homes and had three meals a day.

The republican editors of Missouri will attempt to save the country and a few offices at Jefferson City tomorrow and the democratic editors will perform a like stunt at St. Louis December 1.

Connecticut is going to take some action against the fake doctors whether Missouri does or not. Connecticut has a considerable responsibility in the matter because many of them went there for their licenses and by a curious laxity of the law secured them.

OGDEN'S TOE WON MARYVILLE VICTORY

SPOOFHOUNDS STAGED GREAT COMEBACK IN 12 TO 8 WIN

TEAM WORKED FINE

Local Ball Luggers Held Like Stone Wall—Springs Attempts Many Forward Passes

Another entry for the high school hall of fame. Meet the educated toe of Mr. Homer Ogden, captain of the Maryville Spoofhounds. It was this perfect performing pedal extremety of the Spoofhound leader that crushed the hopes of Excelsior Springs and put his team in the last round for the football championship of Northwest Missouri.

Captain Ogden placed himself in a class of a selected few by booting a beautiful drop kick from the 40-yard line when his teammates were trailing 6 to 8. The ball grazed the cross-bar, took a swerve and glided over, carrying with it a one-point lead for the Ebert eleven. Not content with this the Spoofhounds came right back with terrific line bucks and sweeping end runs by Willoughby and carried the ball to the 15-yard line, where Ogden's toe delivered three points again, this time a made-to-order place kick. Excelsior Springs worked dsperately with forward passes in the final few minutes, but three passes were incomplete and a kick was called on the fourth down. Maryville received it on the 50-yard line and after two downs the final whistle blew for a 12 to 8 Spoofhound victory.

While Ogden really delivered the winning points Excelsior Springs backers were saying, "Too much Willoughby." It was not only too much Willoughby, but too much Miller too much Bush, and too much of about eight other Spoofhounds. The whole team was working better than at any other time this season.

Maryville netted its first touchdown in the second quarter by a short pass over the line after a straight march down the field. That the Clay County boys were completely outclassed the first half was shown by the first downs tally which showed fifteen for Maryville and one for Excelsior Springs.

The feature of the game came at the beginning of the third quarter when the home team forward passed the ball within a yard of its goal. The first play took the pigskin within a foot of the goal. Second down and a line plunge netted only six inches. Another line plunge and everyone thought the ball was over. When the scrimmage mass was untangled the referee held the ball not more than two inches to go. Could the Spoofhounds hold again? When the ball was snapped three Green and Black plungers were through the line before the quarter could move with the ball and hit him so hard he fumbled the ball and Maryville recovered a yard from the goal line. On the first play Willoughby gave them an intentional safety for two points and the ball was brought to the 30 yard line. Two first downs were completed when a Springs man slipped under a forward pass, intereepted it and ran fifty yards for a touchdown. King failed to kick goal and the quarter ended 8 to 6 for the home team. Maryville crossed the line in this period with a forward pass but the ball was brought back and the Spoofhounds penalized fifteen yards for spiking from behind. This forced them to kick on the fourth down. However, there were very few penalties, the count showing three for offside and the one mentioned above.

There were about a thousand people at the game. Every store in town was closed and Liberty and Richmond sent good delegations who were rooting for Maryville. Excellent sportsmanship was shown by the Excelsior Springs fans to the forty or more Maryville rooters that attended the game.

The Spoofhound got home about 1 o'clock this morning, driving from St. Joseph and a big crowd staged a tumultous reception for them at Pennington's Cafe when they drove in.

Guilford Times

On Monday evening as W. D. McClanahan was going home from his store, he took his usual route up the alley. As he came to his garage, he frightened an intruder away. On investigating, he found that the person had one of the front tires off of his car and was just in the act of carrying it away when he came along. The next morning it was discovered that one of the tires had been removed from W. T. Ross' garage and left standing in the alley, so that the thief could get it as he came along with the other one from McClanahan's. Some one had better watch out or they are liable to get caught.

Mrs. Lawrence Skidmore returned home Saturday from a two months' stay in Rochester, Minnesota, doctoring with the Mayo Brothers.

Mrs. Mart Deering, while riding in an automobile in K. C. Wednesday, collided with another car. The occupants of the car were thrown out, except her and she was very badly bruised up. Her sister Mrs. John Farnan, went down to be with her. We understand that she is better today.

Visiting In Kansas City

Mr. and Mrs. J. F. Cook and R. H. Duncan motored to Kansas City yesterday morning to attend the American Royal Livestock Show. Mr. and Mrs. Cook will visit their son, Clarence, who is living in Kansas City. They will also visit Mrs. Duncan's sister, Mrs. E. D. Hicks. They will return to Maryville tomorrow.

O'Banion Misses Close Drop Kick—Bear Cats Yard From Goal at Final Whistle

Chillicothe Business College upset the dope and defeated the Maryville Teachers College, 19 to 7. The Teachers clearly outclassed the Ducks in the first half and scored their lone counter when Masters intercepted a Duck pass and raced fifty yards for a touchdown. Eads kicked goal for the extra point. Maryville crowded the Duck goal in the second period several times, but lacked the punch to shove it over.

In the second quarter O'Banion for Maryville missed a drop kick from the forty yard line by inches, the wind carrying the ball on the outside of the crossbar.

The college came back strong in the third quarter when Duncan gathered up a Maryville fumble and ran sixty yards for a touchdown. Elliott missed goal. The Duck scoring spree came in the final period when Deible smashed the Teachers' line for thirty yards and Smith carried it over. Terrill circled the Maryville end for thirty-five yards and Duncan duplicated for fifteen yards and a touchdown for the final counter. Elliott kicking only one of the goals.

O'Banion was again sent in the line-up in the last five minutes of play and the Bear Cats worked the ball down the field from the forty yard line to one foot of goal when the final whistle blew.

The Teachers all came out of the battle in good shape, according to one of the players this morning. From all reports the breaks of the game went against the Bear Cats and they came home with the small end of the score.

Substitutions were numerous throughout the game on both sides, more especially on the Teachers' team. At no time during the fray did Coach Lawrence send in his regular line-up. Mowery called the signals except when O'Banion was called in.

Captain Clark and Fullback Woods of the Duck squad witnessed the game from the sidelines because of injuries. Duncan and Terrill, Duck ends, and Fidler and Deible played a brilliant game for the Ducks, while O'Banion, Eads and Masters showed well for Maryville.

The lineups:

Maryville (7)—		Chillicothe (19)—
Young	l. e.	Terrell
Richards	l. t.	Wells

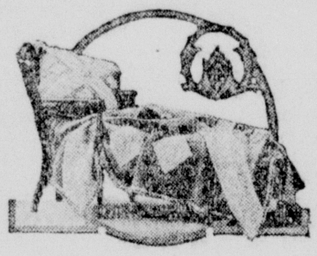
Comforter and Pillow



A soft, narrow comforter and pillow to match, made of sateen (or other material) and bound with fancy braid or ribbon, is a lovely gift, especially for old people. Black sateen with creonne figures appliqued is very handsome.

STATE TITLE RACE IS STILL UNCERTAIN

MISSOURI VALLEY HAS GOOD CHANCE TO COP CHAMPIONSHIP

JEWELL VS. WESLEYAN

If Dad Bowles' Big Red Team Can Topple Cameron Eleven, Marshall School Wins Race

The schedule of football in the Missouri Intercollegiate Association this week is a very tame affair, most of the elevens resting for the Thanksgiving Day battles when the curtain for the current season will be rung down. The contests on Turkey Day will bring together a lot of ancient rivals and numerous special trains will be run to carry adherents of the various colleges to out-of-town places where their favorites will perform. The game has been such a decided success this season that a greater interest has been aroused than for several years.

Title Remains Open

The games in the M. I. A. A. last week served to eliminate additional schools for a claim to the premier Rugby honor, and it is doubtful if the Turkey Day battles will finally settle the supremacy. As a result, it will be up to the newspaper writers to decide what team should be awarded the championship, and that will be a hard matter, in view of the fine performances of a number of the aggregations.

Missouri Wesleyan at this writing appears to have the best claim on the toga, as the eleven has won seven conference games and has one more battle, that with William Jewell at Cameron on Thanksgiving Day. Should the up-state Methodists cop this battle they will have eight conference games to their credit. The nearest rival for the first honors is Missouri Valley of Marshall. This eleven also has a clean slate with four victories, but has no more games scheduled in the conference this season. The Vikings, while they lost no ground from a percentage standpoint last week by playing a scoreless tie with the Warrensburg Teachers, by failing to win this battle, in the estimation of many, lost some claim on the championship honors.

The Springfield Teachers also played a small conference schedule, having only four battles on their card this season. Coach Briggs' eleven undoubtedly was one of the strongest in the senior circuit this season, but had no opportunity to really prove its supremacy because of the few games played. No doubt the adherents of these teams will claim that their Rugby squad is the best.

Wesleyan Beats Tarkio

Missouri Wesleyan, by defeating Tarkio two weeks ago by a score of 49 to 6 and then repeating last week by defeating Central College of Fayette by a top-heavy score of 48 to 0, really has attained a new record for high scoring in the parent college organization. If the Cameronites can win the game with William Jewell Thanksgiving Day, they will have a record that will be hard to exceed, and one that is equal to the many fine ones that have been made by the up-state team during the past several seasons.

The drawbacks to the college football race during the past few years has been the absence of a round robin the senior organization. This year will finally see the passing of the Missouri Intercollegiate Athletic Association, and in its stead the Missouri College Athletic Union will begin to function. This association will consist of the strictly college teams of the state and their relationship in the new angle will begin with the basketball games this winter.

A meeting of the association will be held in Kansas City on the first Saturday in December, after the close of the football season and at that time a special effort will be made to work out a round robin for next season. It is doubtful, however, if it will be possible to work out a schedule that will make such a thing possible, but it is believed that the new organization will get nearer to the solution this year than ever before. The teams are widely scattered over the state, and some of them prefer to take on intersectional battles rather than assume the large expense of bringing conference elevens long distances to their city.

The association has a rule that each team must give a preference for games to members of its association, but very often it is mutually satisfactory to a college that other elevens be booked. The only prospect of the round robin being carried into effect will be a reduction in the number of teams of the association, and that does not seem possible just at this writing unless the clubs get into a wrangle over the eligibility rule, which was passed last season, and which is alleged to have been violated at least in one instance this season, and that flagrantly.

Ineligible Players Used

According to evidence that has been presented to association officials by one of the coaches, one college eleven has played at least three ineligible players, and probably more. It is charged that these players are in the lineup of at least three games, and that the coach made no denial of the fact. Under the rules it would mean that his college would be automatically dropped from the conference without a hearing. In the past no such drastic action has even been taken, and it remains to be seen if the new association takes any radical action this year. Other charges of ineligibility were preferred early in the season, but according to the Eligibility Committee, they were never proven.

It is certain that there will be a warm discussion of the eligibility rules this year at Kansas City, and if the usualy whitewashing tactics are not adhered to there might be some interesting news to be given out.

The standings of the M. I. A. A. teams this week are as follows:

Team.	Won	Lost	Tied	Pct.
Missouri Wesleyan	7	0	0	1.000
Missouri Valley	5	0	1	1.000
Springfield	3	1	0	.750
Rolla	1	0	0	1.000
William Jewell	4	2	0	.667
Warrensburg	3	2	1	.600
Maryville	2	3	0	.400

Many Delcos are Sold by J. E. Holt

Since Moses inscribed the ten commandments with a touch of his finger on a tablet of stone, advertising has been a success to all of honest intentions. We respectfully refer the readers of this paper to an advertisement of J. E. Holt, representative in Nodaway and Atchison Counties for the Delco-Light Company, a subsidiary to the General Motors Corporation.

Mr. Holt has been selected by this corporation as their most valued dealer for the state of Missouri. As a token of appreciation to Mr. Holt, the Delco Light Company has made some very valuable concessions to him in the event that he succeeds in selling a carload of Delco Light plants during the month of November. Mr. Holt, being very conscientious and thoroughly unselfish, conceived the idea that anything that was given to him by his employers, he would pass along to his prospects and the good of the people of his territory, as it had been passed to him by the Delco Light Company.

This paper has made special investigation of the concessions Mr. Holt is offering his prospects and we believe that it is a wonderful opportunity and probably one that will never occur again for those who are planning to have a modern convenience in their home such as Delco Light will give them.

In order to assist Mr. Holt in his campaign of selling a carload of plants, as enumerated in the advertisement on another page of this paper, the Delco Light factory has assisting Mr. Holt a very capable factory representative, B. R. West. Mr. West as well as Mr. Holt think as much of friendship as they do of business. We feel sure that should they, during their endeavors to successfully carry out Mr. Holt's project of selling a carload of Delco-Light plants in a single month, call at your home, that you will not regret the intelligent information which they will impart to you, as well as meeting these men.

The following people have purchased Delcos since Nov. 7:

Chas. Close, Lewis Schulte, Isaac Tyson, John Walker, Berney Step, J. T. Walgat, Mrs. Elizabeth Ball, F. Porter, Alfred Jones, Jas. Messbarger, Wm. Goforth, Ova Goff, Martin Asbel, Clay Holliday, Ballard Bros., John Dodson, Wm. Shelman, Lewis Pistole, Roy Schulte, W. L. Trimmer, L. Morehouse, L. L. Owens, Joe Tyson.

Mrs. Charles Lippman of St. Louis is visiting at the home of her parents, Judge and Mrs. C. A. Anthony. She will visit here until after Thanksgiving.

Fifty Years Ago

(Taken from the Nodaway Democrat, Nov. 20, 1873).

One of our exchanges says:

"Nodaway County is not as sleepy a place as you might suppose. Several farmers near Avilla have contracted with Mr. Cole of New York to build a cheese factory of sufficient capacity to manufacture the milk of 1000 cows."

We know that Nodaway County is not a sleepy place and if the farmers near the place called "Avilla" will wake up and give us the particulars of their cheese factory we will write it up. A cheese factory can certainly be made profitable in the county, and so can woolen mills, machine shops, pork houses, etc., etc., and the sooner the better.

Fall wheat all over Northwest Missouri is reported unusually fine. The only trouble seems to be that the unfavorable season prevented the usual crop from being sown.

On last Saturday evening, about 150 Indians, the remainder of the Modocs of Oregon, passed through St. Joseph on their way to their reservation in the Indian Territory.

On last Sunday evening, Mr. James B. Prather and Miss Emily Holt were married at the Christian Church, Eld. L. D. Cook performing the ceremony. The parties belong to two of the best families of Nodaway County, and have an unlimited amount of well wishes for their prosperity and happiness.

The Savannah Republican devotes an article to the flourishing little town of Graham, Nodaway County, from which we take the following extract: Graham is located a mile and a half east of the Nodaway river on Elkhorn creek, in a beautiful grove of timber which affords an abundance of timber convenient. It is twelve miles west of Barnard, fifteen miles south of Maryville, and thirteen miles north of Fillmore. It has about 500 inhabitants, has three churches, a graded school building, with two teachers employed, one hotel, four blacksmith shops, two wagon shops, one cabinet shop, one saddler shop, one meat shop, one artist, one barber, two millliners, one tailor, one hardware store, one clothing store, one furniture store, three physicians and one restaurant. It has also a daily hack mail from Bigelow, and a tri-weekly hack and mail to Maryville. Graham is situated in the midst of a fertile country, and away from the excitement and evils that often annoy our railroad towns, which make it a desirable place as a quiet residence, in which to rear and educate a family. The citizens are educated, moral and peaceable, and the town is fast improving."

Mr. Nash has his new flouring mill in operation at the old Downey mill place on the Nodaway, and is doing good work. The new bridge at this point will be completed December 15, as Nat Sisson intends to push it right along to completion.

We see in the St. Joseph Gazette a table of distances on the railroads and the rates of fare from St. Joseph to different towns and cities. Below we give a few of them which may be of interest to our readers:

North:	Amazonia—9 miles	$ .45
	Savannah—15 miles	.75
	Maryville—45 miles	2.25
	Hopkins—59 miles	3.00

Henry Harmon has recovered his horse that was stolen nearly two weeks ago. The horse was captured near Hickory Grove, some sixteen miles south of Maryville, and showed evidences of having been ridden very hard.

Nat Sisson has just completed four bridges in Hopkins township, one at the Otis mill over on Mowry branch, one over the East, and one over the West fork of the Hundred and Two. He has also just finished a bridge over Platte river on the line of Independence and Jackson township.

Jack Holt of the Nodaway, near Quitman, says he wants to sell 2,000 bushels of corn, 14 head of cattle, and 40 head of stock hogs, with a good feed lot that can be used, at a fair price, one-half cash and the remainder first of May next. Stockmen would do well to see him.

Twenty Years Ago

At a meeting of the directors Monday, it was decided to open an office right away. The office is in the Bradwell Opera House building. Mr. C. C. Graves will be in charge. The work of securing the right-of-way along the line will be entered at once. The surveyors are between Savannah and Graham on the permanent survey.

Snow fell here for the first time this winter during the night of Nov. 24. It was a light snow.

The cold weather of the past week or so has had the effect to freeze the sap out of the corn stalk, thus causing the corn to dry up very fast. Much of the corn was unfit to crib before, not dry enough.

The Methodist Church at Pickering was dedicated last Sunday at 11. Rev. Lytle preached the sermon. The sum of $540 was subscribed by the congregation to relieve the church of indebtedness. A large audience was present.

The Maryville high school football team will play this afternoon against the Normal team at Stanberry. This will be the last game of the season. The boys who will leave this afternoon for Stanberry are: Charles Hamill, Albert Kuchs, Ross Cox, Ed Williams, Watson Hitchcock, C. Cox, E. Airy, Cleave Funk, John and David Muan, Alva Pierpoint, Grover Perdew, S. Callins, E. Scott, Wick Litts, Bayless Vinsonhaler, Richard Fleming and James Todd.

PEACE AND HARMONY

Mr. and Mrs. Alfred DeWitt, and family, and Mr. and Mrs. Jessie Linville were Sunday dinner guests of Mr. and Mrs. Bert Saxton.

Mr. and Mrs. Will Strauch and daughter, Betty Lou, Mrs. Mattie Masters, Miss Lillie Renshaw, Perry Colwell, Mrs. Opal Welling and daughter, Winifred, Mr. and Mrs. Russel Stephens, and Annona Shipley were visitors at the home of Frank Bailey Sunday evening.

Dorothy and Harold Bailey were visitors over Sunday at the home of S. C. Cook.

The boys in the B. Class put up the mail box which was donated to us by Mr. Harry Wells. We can receive our paper at the school house now.

Mr. and Mrs. L. O. Reaksecker spent Sunday at the home of Mrs. Reaksecker's parents, Mr. and Mrs. D. J. Busby, in the Swallow neighborhood.

Chas. McDaniels transacted business in Maryville Tuesday morning.

We have a new foot scraper at the school now.

Ross DeWitt attended a party at Alvin Long's Saturday night.

Ross DeWitt is the champion corn husker in this neighborhood, having husked 122 bushels Saturday.

Mr. and Mrs. A. J. Wells have installed a new radio set.

DELEGATES TO GO TO STUDENT MEET

INTERNATIONAL CONVENTION OF VOLUNTEERS MEET NEXT MONTH

TO BE IN INDIANAPOLIS

Six of Seven Students Will Be Chosen to Represent State Teachers College at Gathering.

It was announced at the College today that plans are being formulated by the student body, under the direction of the Y. M. C. A. and Y. W. C. A., to send six or seven official delegates from the College to the Ninth International Convention of the Student Volunteer Movement to be held at the Cadle Tabernacle, Indianapolis, Indiana, from December 28 to January 1.

Students, who will best represent the College, will be selected from the student body to attend this world-wide convention. The delegates will get fare and a half rates to Indianapolis and low entertainment expenses in the convention city. Funds will be raised through contributions of the student body, as well as contributions from Maryville residents through the churches and other channels.

The Student Volunteer Movement is probably the outstanding concerted activity of the college students of the world today. The purpose of the organization is, "To emphasize the solidarity of mankind and the interdependence of all nations and races; to present to students data concerning world conditions and to help them consider the relations and obligations arising therefrom, for the sake of enabling them to follow more completely Christ and His way of life, and to make a more intelligent decision regarding their own life work."

The program includes addresses from such internationally known men as: Sherwood Eddy, John R. Mott, Robert P. Wilder, Mrs. Chas. Roys, Mrs. Percy D. Snipes, Mary M. Reed, Y. Y. Tsu, David R. Proctor and others. The addresses will include discussions of such subjects as: "Present Day Social and Intellectual Unrest," "Racial Relations and Christian Brotherhood," "International Problems and the Christian Way," and "Modern Industrialism."

The last convention was held in Des Moines in 1920 and 6,890 official delegates were registered from 949 colleges and universities. More than 12,000 delegates are expected this year.

Rowe Sues Paving Company for $2,500

Claims He Suffered Permanent Injury to Hand by the Neglect of the Concern and an Employe

Earl Rowe, formerly an employe for the Cook & O'Brien Construction Co. filed suit in Circuit Court this morning against the concern for $2,500 for damages.

The petition reads Earl Rowe vs Cook & O'Brien Construction Co., a corporation, and Jack Cannon, the case to come up in the January, 1924 term of court. The defendant, the construction company has its headquarters in Kansas City but has been doing the paving on West Third and Grand avenue in the west part of Maryville this fall. Jack Cannon is superintendent of the work for the concern.

Rowe claims that on October 31, while performing his duties, that of feeding the cement mixer by unloading the trucks, sustained severe and painful injury to his right hand, due to the negligence of the company and one of the employes, the truck driver.

Rowe in his petition states that the lock, attachments and springs on the end gate of this truck were in an unsafe condition. His right hand was caught as the dump part of the truck was lowered and says that he will loose use of this hand and fingers for a long time. Rowe therefore prays judgment to the extent of $2,500.

Kill Big Chicken Hawk

George Lightfoot, 420 West Cooper street, and Leslie Whitehead, South Walnut, killed a large chicken hawk at White Cloud, southwest of Garrett schoolhouse, yesterday afternoon. The large hawk measured four and a half feet from tip to tip and was one of thebiggest killed in the county this year.

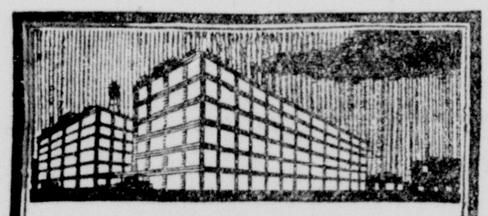
These 23 Men Have Bought and Only a Few Plants are Left at the Carload Price

The men whose names appear on the side of the Delco-Light car shown above have placed their orders as a part of the big money-saving Co-operative Plan for buying Delco-Light. Their plants will be shipped direct from the Delco-Light factory at Dayton in one carload. They will also receive the full advantage of my group installation plan. Each one of them will get a generous part of his equipment absolutely at cost. Each one of them will have a Delco-Light plant installed in his home and giving him service at a greater saving than has ever before been offered in the history of the farm electric plant business.



Notice!

The Delco-Light Plants referred to in this special offer are standard Delco-Light Plants, fully covered by the regular guarantee as to material and workmanship, and fully protected by the liberal Delco-Light service policy. Each plant has the famous 4-cycle, air-cooled, valve-in-head Delco-Light engine, and the thick-plate, long-lived Delco-Light Storage Battery. Anyone purchasing a Delco-Light Plant as a part of this special carload order is assured of the same satisfaction he would receive in placing his order individually,—the same satisfaction now enjoyed by 175,000 Delco-Light users.

I Know You Want Delco-Light

I know that hundreds of homes in this county want and need Delco-Light. You have probably visited the homes of your neighbors,—homes where Delco-Light is saving time and labor, lightening the burdens of the women folks, making a happier home for children, bringing comfort, convenience and added leisure to the whole family.

You Can Buy Delco-Light On the Co-operative Plan

There are just a few places left in the special Delco-Light carload. There are chances for just a few more farmers in this county to take advantage of this remarkable money-saving opportunity to get their Delco-Light Plants now, to have them installed quickly and cheaply, to equip their homes with fixtures at cost,—to get the full advantage of Delco-Light electric light and power at a very big saving.

Co-operative Buying

The men whose names appear above went over with me carefully the facts and figures about this special co-operative buying plan. I showed each of them just how I could save by buying Delco-Light in quantity, how I could save by making all installations in one group and how I passed on the full amount of that saving to them. All of these men recognize the great saving to be accomplished through co-operative buying.

Better Light—Cheaper Power

You can still take advantage of this special offer just as they have. You can give to your home the full advantage of electric light and power. You can have light wherever and whenever you want it at the turn of a switch,—clean, safe, bright, convenient electric light. You can have plenty of smooth, quiet, economical power to do the pumping, milking, separating, churning, grinding, washing, ironing and sweeping. You can begin to enjoy immediately the full measure of convenience and comfort and labor-saving that Delco-Light will bring to your home.

Act Now—If You Want to Save

There are only a few days left,—only a few days in which I can give you the complete details of this proposition. I know that you have always wanted electric light and power on your farm. I know that many of your neighbors have Delco-Light and that they are strong in their praises of it. I know that you will gladly order Delco-Light now when I have completely explained the co-operative carload plan.

This is *your* chance. If you *ever* expect to have electric light and power, now is the time to get it.

Just write your name on the coupon, clip it out and mail it to me. I will lay complete details, prices and figures before you. You will not be obligated in any way.
